Charlie Ugarte
Ugarte & Associates, Inc.
434 9th Avenue W.
Palmetto, FL 34221

Dear Charlie:

It is with pleasure that I write this letter of recommendation for you and your firm. We have worked together on two projects for the City of Holmes Beach, the Skate Board Park shelter and bus shelters built throughout the City. We have also worked together in my capacity as Building Official on several residential renovation projects.

In my dealings with Charlie I have always found him to be very dependable, cooperative, efficient and always ready with a new and refreshing method of approaching challenges. I would therefore, without reservation recommend this company to any potential client seeking their services.

Sincerely,

Joseph E. Duennes, C.B.O.
Superintendent of Public Works
